Mukhtar Tleush, take oath according to law, depose that the following is true:

- 1- I reside at Rase El Bin Amman, Jordan.
- 2- I was born on 1909 in aul Tachtamukai, A. A. O., U. S. S. R.
- 3- I know Tschirim Soobzokov, since his childhood.
- 4- In 1940 or 1941, he was arrested and was sentenced to one year imprisonment.
- 5- Shortly after declaration of war by the Germans, he came back to our native town, Tachtamukai and was mobilized with many young boys of his age group to build defense lines.
- 6- In the Summer of 1942, a few months before German occupation, he came back, being wounded on his shoulder and was under treatment in the town hospital.
- 7- Tschirim Soobzokov, chose not to retreat with retreating Kraenoe Armia, but stayed back waiting for coming Germans.
- 8- In August 1942, upon German liberation of our town Tachtamukai, he was one of those selected by towns people to set up self-ruling local government under German Agricultural Commandant, and he was assigned as a secretary to then Chief of the Circassian Gendarmeria in Tachtamukai, Raion, Mahmoud Chez.
- 9- After a month or two, Mahmoud Chez and Tschirim Soobzokov were removed from their positions for refusing Germans in presenting list of former members of Communist Party, Comsomol, and activists.
- 10- Tschirim Soobzokov joined voluntarily, North Caucasian infantry battalion which was formed somewhere from former prisoners of war consisting of Adige, Kabardines, Chechens, Karachays, Ingushes, and Dagestanians.
- 11- That battalion was fighting against Kraenoe Armia in Maslovka near Staniza Kalujanskia, about 25 kilometers from our town, Tachtamukai.
- 12- Tschirim Soobzokov, was appointed there as an assistant to Supply Officer, and we used to see him at least once a week and sometimes twice a week with a few carts used for taking from different villages hay for army horses.
- 13- In February 1943, I saw him retreating with his battalion and many Germans from the city of Kraenodar.
- 14- Again I saw him in the Summer of 1943 with two other Circassian Soldiers in Staniza Partizani near the city of Militopol, Ukraine, where we were quartered as civilian refugees.
- 15- In the Winter of 1943, we civilians were organized in so called self-defense units and were set up to fight partizans in Slonim area in Belorussia. All this time, his brother Nos was with us and he was sick with tuberculosis.
- 16- In January or February of 1944, Tschirim Soobzokov came to us in Slonim and under false pretences that he was taking us to join Caucasian Army; took 5 persons from our native town.
- 17- Since then, we travelled together; our group increasing. This group consisted of those who did not wish to fight partizans or work for Germans, and we were trying to avoid contact with Tschirkeski Bejenski Comitee under leadership of Nanu Chadjemeukov and his stooges.
- 18- The countries we travelled together are Ukraine, Rumania, Hungaria, Yugoslavia, Greece, Austria and to Poland.

- 19- With exception of Tacherim Soobzokov, we were dressed as civilians. only Soobzokov used to wear Lieutenant's Uniform of infantry.
- 20- In September or October of 1944, finally we settled in Harka Kapaza, Hungary and stayed there until March or April of 1945.
- 21- While we were in Harka Kapaza, Tacherim Soobzokov was arrested by the Germans and after 3 weeks was released as a very sick man.
- 22- After he was able to travel, he went to Berlin for five days and came back to us in a brand new German/Caucasian Waffen SS uniform with rank of a Lieutenant.
- 23- At that time, he told us that now thanks to God and General Ulugai we are all safe.
- 24- During all this time Tacherim Soobzokov never harmed anybody, he never refused to help who needed help, all he was doing was trying to save people from Krasnoe Armia and Germans who were trying to use us.
- 25- Again in June, 1945 Mr. Soobzokov secured a travel document from a British officer who was with the British Army in Oberdrauburg, Austria, and with that document, we reached Italy, where we tried unsuccessfully to immigrate to Turkey or Greece, but failed.
- 26- From August, 1945 to October, 1947, we were moving from town to town all over Italy. Finally again Mr. Soobzokov, went to the Middle East, first to Egypt, then to Jordan and Mr. Soobzokov successfully presented the problems of our Circassian refugees in Italy to His Majesty, the late King Abdullah, who was humane and gracious enough to accept all Circassian refugees in His Majesty's country and we were admitted to this country in November, 1947,
- 27- In 1955, Mr. Soobzokov immigrated to U.S.A. from where he still helps, if he can, those who seek his help and keeps close contact with us.
